

## BIOGRAPHY

# KEVIN P. THAYER

Appointed on July 6, 2020, Kevin P. Thayer serves as Chief Commercial Officer for Trystar, Inc. He is based in Burnsville, Minnesota.

Thayer started his career as a Sales Representative in the Cessna Aircraft Company in 1984. He joined Eaton in 1988 as National Accounts Manager, where he held a number of positions of increasing responsibility, including North American Sales Manager, Global Sales Manager, Director of Marketing, and Director of Commercial Excellence. He became President of Growth Partners Unlimited in April 2019 before joining Trystar in 2020.

Thayer holds a master's degree in business administration from the University of Minnesota and a bachelor's degree in business and marketing from Kansas State University.

### About Trystar

Trystar designs and manufactures a wide range of portable and industrial power products, including portable renewable hybrid energy systems, panels, I-Lines, transformers, portable automatic transfer switches (ATS), and welding racks. It also manufactures generator docking stations, load banks, and UL-891-rated switchboards. Trystar cable products include portable and industrial power, welding, utility, and medium voltage cables. Trystar offers emergency lighting inverters, power conditioning and voltage regulation equipment, industrial DC power supplies (rectifiers), uninterruptible power solutions, sequence-of-events recorders (SER), and GPS time reference and synchronization devices. The manufacture of prefabricated conventional and blast-proof remote instrument enclosures (REIs) and E-Houses complements its diverse solutions portfolio.
